SALON & SPA COMPLETE SYSTEMS

BASIC SALON & SPA

The basic salon & spa system is the ideal choice for salons and spas looking for an all-in-one system that is more than just POS. With Salon Iris Software, appointments, tips, commissions, and scheduling can be tracked as well as past client services and preferences.

Everything you need to get your salon POS system up and running is included. Just plug in and go.

- * 1 Year Free Phone Support
- * 1 Year Warranty with 7 Day Replacement

FINANCING AVAILABLE
