

## Heavy Duty Cash Drawer

At almost 20 lbs, the Xc19 offers superior durability and ruggedness. Quality also lies within the Xc19; shatter resistant removable till, polyurethane rollers, steel ball bearings and a solenoid kicker rated at over 3 million cycles will give years of smooth operation. Combined with a textured hybrid powder coat finish and three position lock, the POS-X Xc19 is a top choice for reliability and performance.

5-Bill/8-Coin with Metal Bill Weights
